

**DATA5207 Marking Rubric
Research Plan**

Criteria (worth 2 points each)	Excellent	Very good	Good	Adequate	Poor
Plan will realistically answer the chosen question					
Evidence of reading from the scholarly literature (5 texts beyond set readings)					
Appropriate methods have been chosen to answer the research question					
The material is organised and structured effectively, and the paper is formatted correctly (as per requirements)					
The writing is clear and free of typos and other errors (1 point)					
The paper is referenced correctly and consistently throughout (1 point)					

The word count is 600 words ($\pm 10\%$). Anything outside this range will be penalised.
